Allison Hook & Ladder Co #2
Attn: Barry J. Buskey, President
315 S. 14th Street
Harrisburg PA 17104

President Buskey and Members of Allison Hook & Ladder #2,

Having met all of the requirements of my correspondence dated July 17, 2019 addressed to your fire company, I hereby transmit this correspondence as formal recognition and reinstatement of the Allison Hook and Ladder Company #2 as an active and participating member fire company of the Harrisburg Bureau of Fire effective this date. I will be forwarding correspondence to Mayor Papenfuse, Harrisburg Firemen's Relief, Mount Pleasant Fire Company #8, Camp Curtin Fire Company #13, Harrisburg Firemen's Relief Association, and the Offices of the State Fire Commissioner and Auditor General to advise them of your company status.

I encourage you to have your members acclimate yourselves with your new station and the career members of the Bureau of Fire. Your main duty station is assigned as Station 2, however, you are welcome at any of OUR fire stations. I trust you are aware that the City does not have resources to provide the requisite gear and sundry items for your active members. These items will need to be procured through the Harrisburg Firemen's Relief Association in accordance with Act 84. Your delegates to the Relief Association should attend the next regularly scheduled relief meeting so that these items can be procured in the short term.

Additionally, I encourage you to form harmonious relationships with the two other actively participating volunteer fire companies in the Harrisburg Bureau of Fire. The Mount Pleasant and Camp Curtin fire companies continue to provide services and be actively engaged in all aspects of the Bureau including some specialty areas including technical rescue, dive rescue and recovery duties, and annual fire prevention activities.

It is with great pleasure that I congratulate you on your hard work and dedication to once again being active in the Harrisburg Bureau of Fire. The Bureau of Fire has a long and rich history steeped in pride and tradition. I trust that your company moto "We Kick for Our Rights" will continue to drive the great work that your company will perform.

With warmest regards I am,

Sincerely,

Brian D. Enterline
Fire Chief
